How can these stakeholders be brought into governance frameworks?

The world we are living in today is more interconnected than ever before in human history. It is clear that no one country alone can tackle the problem of the potential negative impact of scientific and technological advances on international security.

TATIANA VALOVAYA
DIRECTOR-GENERAL,
UN OFFICE AT GENEVA
How can these stakeholders be brought into governance frameworks?

All stakeholders should be brought into governance under an improved and enhanced BWC regime to strengthen the international security.
